Here at Home: Six Artists

2010 Biennial Residency:
an artists & writers collective

July 1 - August 27, 2010

Six artists create works during the month of July that respond to the themes of the Denver Biennial of the Americas: Innovation, Sustainability, The Arts, and Community. The public is invited to watch and participate in the process throughout the month, culminating in an opening reception August 5th. The exhibition continues through August 27, 2010.
